eWareness, Inc. - Capabilities Information Sheet

Year Established: 2002 · State of Incorporation: Florida Service Disabled Veteran Owned Business

Description: eWareness, Inc. is a US Service Disabled Veteran-Owned Business. We specialize in offering local, county, state and federal government agencies a full line of technology products and services. From web and graphics design & development to database construction, we focus 100% on customer satisfaction. Services include: public relations, custom software development, marketing services, advertising services, database design, graphic design services, printing services, technology services and more. We are 51% owned by a service disabled veteran. Please feel free to call us to discuss how we can help you meet the new 3% procurement guidelines for SDVOB (Service Disabled Veteran Owned Businesses).
